Dear Jerry:

I am writing first of all to enclose this check for \$150.00. It will interest you to know I am sure, that the receipts for the first two days this year were less than the first two last year. I do hope we will have good weather for the rest of this month.

Have you made any effort to contact Jimmy Powers? Let me know if you have any luck.

We are playing in Atlantic City this coming Thursday, May 29th. Please send publicity to Mr. Harry Harmon, 1613 Baltic Ave., also the dailies. We are playing The Johnson All Stars at The New York Ave. Ball Park the first game under the newly installed lights.

I might tell you at this time, we are playing The Phila Stars in Norfolk Sunday, June 15th. We want to work that up, the man handling the game there is Mr. Willie Riddick, 919 Faulkland St., Norfolk, Va.

Very truly yours,
